

ASTAR – Impactis M+

Onde d’urto

FEATURES

- 7" touchscreen
- illustrated encyclopedia with treatment methodology description
- treatment programs selected by name, medical field, anatomical mode or by the search
- NEW – interval mode
- manual mode
- preset treatment program base
- user-defined programs
- concise list of favorite programs
- possibility of edition of the names of user-defined programs
- sorting of programs in alphabetical order
- statistics – the number of performed treatments
- STAND BY mode

SHOCKWAVE THERAPY

- applicator with an integrated spring shock absorber absorbing vibrations
- ergonomic silhouette of the transmitter cap improving holding comfort
- the device in its original version allows for 2 000 000 shocks
- the applicator regeneration kit allows for another 2 000 000
- ballistic system consumption control
- dedicated transmitter for aesthetic medicine
- titanium transmitters (10, 15, 20 mm)
- steel transmitters (10, 15, 20 mm)

SHOCKWAVE EMISSION MODES

- single
- continuous
- burst
- NEW – interval

TREATMENT PROGRAMS

- 44 preset treatment programs
- 50 user-defined programs

TECHNICAL PARAMETERS

- | | |
|---|----------------------------------|
| • compressor pressure | 1 – 5 bar |
| • impulse emission frequency (shocks) | 1 – 25 Hz |
| • shocks | 1 – 10 000 |
| • power density | max 3 mJ/mm ² |
| • projectile system life | > 2 million cycles |
| • supply | 100-240 V, 50/60 Hz, 24VDC 6,25A |
| • device dimensions | 36,1 x30,4 x15,1 cm |
| • controller weight | 7 kg |
| • weight with the applicator and power unit | 9 kg |

STANDARD ACCESSORIES

- • mains cable (1 pc.)
- • switch mode power supply (1 pc.)
- • shockwave applicator (1 pc.)
- • steel transmitter 10 mm (1 pc.)
- • steel transmitter 15 mm (1 pc.)
- • steel transmitter 20 mm (1 pc.)
- • titanium transmitter 15 mm (1 pc.)
- • spare gaskets 8x3, 12x3, 13x3 (2 pcs. each)
- • spare elastomer spring (2 pcs.)
- • ultrasound gel 500 g (1 pc.)
- • spare time-lag fuse (1 pc.)
- • applicator holder (1 pc.)
- • projectile chamber spanner (1 pc.)
- • screwdriver for fixing the holder (1 pc.)
- • display cloth (1 pc.)
- • display stylus (1 pc.)
- • user guide (1 pc.)
